Journey Makes The Destination

Dmast

deli × *pēbēo*

Brand Background

Dmast is a sino-french joint venture brand between Deli and Pébéo.

Thanks to a century-old know-how experience combined with an advanced industrial expertise, it has been developed to provide artist worldwide, great quality painting tools yet affordable.

deli × *pébéo*

Brand Story

Art is about self-expression.

It is an adventure led by passion and the beauty of it do not rely solely on the result but on the journey itself. You will learn the most about yourself during these introspection times.

Because we are aware of how valuable these times are we want to be by your side during this journey providing you the right tool to express yourself.

That is what Dmast stand for
— the journey to a masterpiece.
